APT PLATFORM BV

APT is Your True Partner in Circularity Business

We build the tools, you own the trade

APT IS NEUTRAL

01 We are not a recycler, trader, broker, processor, or logistics provider.

02 We do not own materials, set prices, negotiate deals, or operate facilities.

03 We do not compete with existing market actors.

04 We do not interfere with your current deals or business workflow.

APT EMPOWERS

01 We are a neutral digital infrastructure empowering the entire circular economy.

02 We provide a secure platform for exchanges among circularity industry entities.

03 We automate, structure, standardise, and integrate data transactions.

04 We enable traceable, safe, and reliable circular supply chains.

APT Platform B.V. is a software technology company enabling faster, more accurate, and more profitable businesses for all actors:

- **Generators:** Earn more from the same residuals.
- **Traders:** Close 10x more valuable deals with 75% less effort.
- **Processors:** Manufacture premium products at lower cost.
